## From the President

Dear Members,

Since the last Bulletin was published, President's Night has taken place at Minchinhampton Golf Club. I would like to thank you all for your support and trust that you had an enjoyable evening

On 5<sup>th</sup> April, the Sportsability Disabled Sports took place at the Leisure Centre. Some forty youngsters enjoyed a morning of games and dance. Once again, the club provided shirts with the Rotary Logo for the competitors and organisers.

The following weekend a party of sixteen attended the District Conference at Warwick University. This was the first time that this venue has been used and what a good choice as the facilities were excellent. The speakers were varied and good. To mention a few – Richard Noble spoke on his project to build a 1000 mph car and Dawn Gibbins, of secret millionaire fame, talked of 'detoxing' her business and motivating her staff with 'hugs' for everyone. Diesel, an ex prisoner who educated himself in prison, gave a moving account of his life and his efforts to achieve literacy.

Just after this Bulletin goes to press, a group of seven will be going to the RIBI Conference in Dublin. A report next month perhaps

David
